

Welcome to the Innovation Sales website! Our company was established in 1987 as a network of manufacturer's representatives with over 200 years of combined experience. With our well established strategic alliances, we have been able to provide quality products and services to the Original Equipment Manufacturers in the Mid-west area for over 30 years.

Our Principals are all privately held, ISO certified companies that are well regarded in their respective industries as manufacturers of quality [products](#) . All have ownership that is actively involved and committed to growing and expanding their businesses. Click [here](#) to learn more about these U.S. based Manufacturers.

Our Mission Statement

To "bridge the gap" between customers and suppliers by providing solutions to the problems many of today's Original Equipment Manufacturers and their supply base encounter.

We do this through sound application engineering combined with strong problem solving methods which have been developed throughout our history of service.
